The AKU SONAM Kenya invites interested persons to apply for the **Bachelor of Science in Nursing programme in the 2024 Admissions Cycle.**

Eligibility Criteria

For the 2024 admissions cycle, eligible candidates must satisfy the criteria below.

1. **Kenya Certificate of Secondary Education (KCSE)**:
   A minimum aggregate score of C+ (plus). In addition, a candidate must meet the cluster grades as shown below:

   Cluster A: Applicants should possess an aggregate grade of C+ in the following cluster of subjects: Biology, Chemistry, Physics or Mathematics; and English or Kiswahili.

   OR

   Cluster B: Applicants should possess an aggregate grade of C+ in the following cluster of subjects: Biological Sciences, Physical Sciences, Mathematics; and English or Kiswahili.

2. **Advanced level certificate holders:** Minimum entry requirements include Principal passes of C in Biology and Chemistry, along with at least a subsidiary pass in either Mathematics or Physics

3. **International Baccalaureate (IB):** Grade 4 and above in the cluster subjects of Biology, Chemistry and Mathematics or Physics.

   Individuals with a Diploma in Nursing/Midwifery may apply for admission to the upgrading Bachelor of Science in Nursing/Midwifery (Post RN/M) programs-
   Check www.aku.edu**.**

Please Note

Applicants have the option to apply for a position using predicted grades. However, the official admission letter will only be issued after the submission of results by **Friday, August 9, 2024. This date will not be extended.**

For international qualifications, it is mandatory to obtain an equivalence certificate from the **Kenya National Qualifications Authority (KNQA)**. The equivalence certificate should state that their High School qualification is equivalent to the requirements as listed under eligibility requirements above. This equivalence is required for proper assessment and recognition in the admission process.

HOW TO APPLY

Candidates are encouraged to apply online. For assistance in completing the online application, applicants are advised to go through the *Frequently Asked Questions (FAQs)* or *Understand the Online Process* sections on the online application portal.

Only in exceptional situations where the online application is not accessible may applicants request for a paper-based application form by emailing the Admission Office at admissions.ke@aku.edu.

Candidates must note that whether submitting application online or in hard copy, the following documents must be provided alongside the completed application form.

REPEAT APPLICATIONS

Applicants not successful in their first/previous attempt may apply again with additional information supporting their application.

A fresh application together with necessary documentation must be submitted for a particular admission cycle. The University does not have a policy of automatically carrying forward applications from one cycle to the next.

PROVISIONAL APPLICATIONS

Aga Khan University accepts provisional applications from candidates with pending documents, such as result slips or certificates based on predicted grades. These applications are evaluated on a provisional basis. To finalize the selection process, applicants must submit their pending documents according to minimum eligibility requirements by the specified date. Failure to do so will result in application cancellation.

It is the candidate's responsibility to ensure that pending documents are received in the Admission Office according to the published schedule. Reminders will not be sent from the Admission Office.
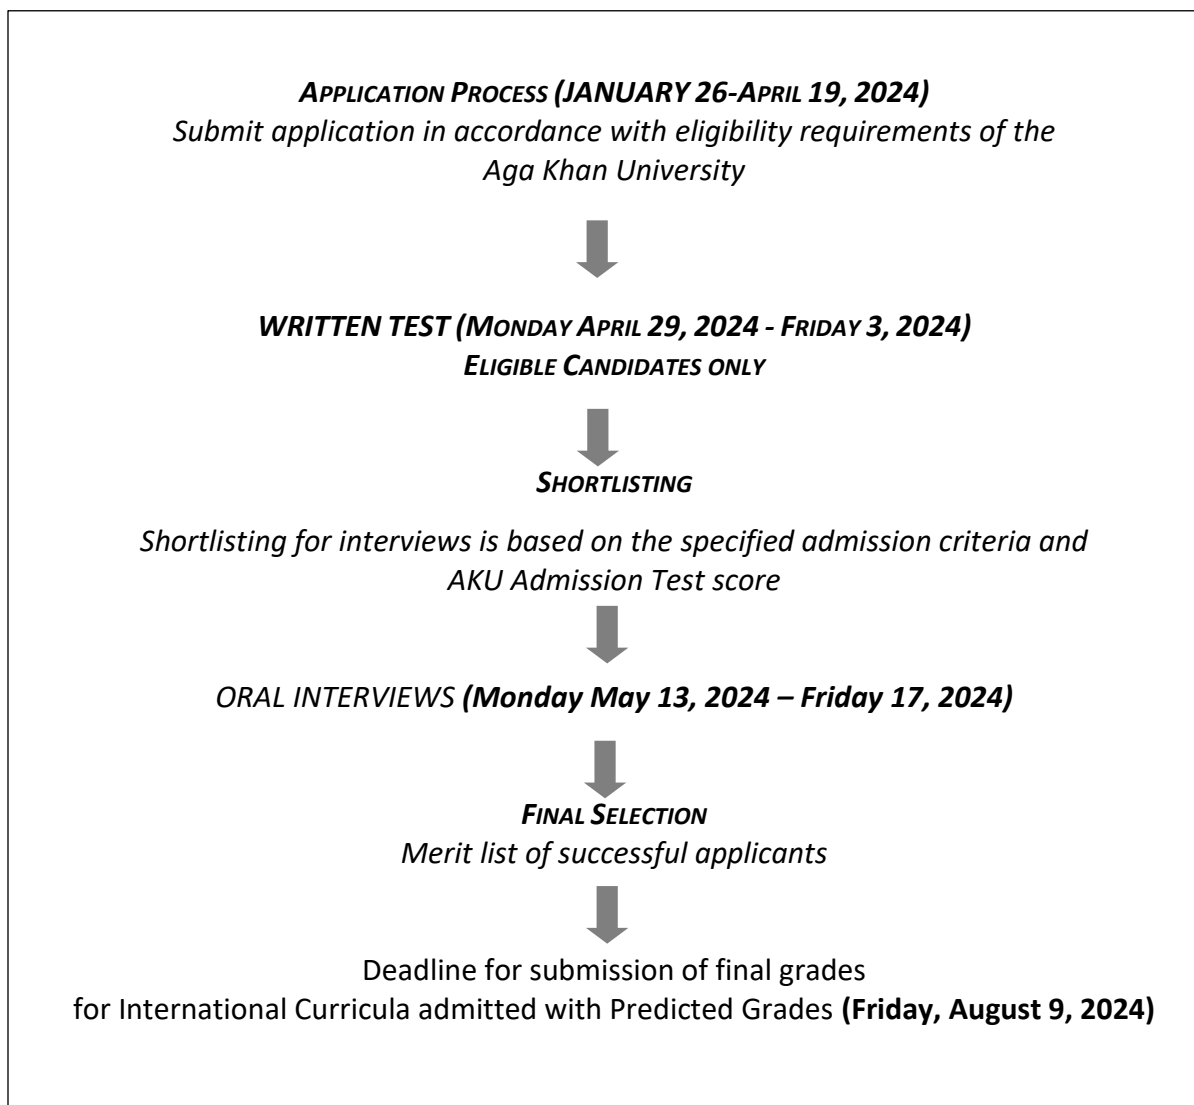

THE WRITTEN TEST

All applicants are required to write an Admission Test scheduled **Monday April 29, 2024 - Friday 3, 2024**. The specific schedule including test centre and timing will be provided in good time on the admit card.

The Test is administered in English and consists of multiple-choice questions for Mathematics and Science (Biology & Chemistry) Knowledge.

ORAL INTERVIEWS

Applicants who successfully attempt the written test will be invited for oral interviews, scheduled to take place between **Monday May 13, 2024 – Friday 17, 2024**. Each applicant will meet a panel of interviewers for approximately one (1) hour. Applicants should note that interviews are a mandatory component of the application process, and do not guarantee selection.
