#### Facilitator

**[Ms Yasmeen Mehboob](#)**

Instructor at AKU-IED, Pakistan

January 31 and February 1, 2018 | 3:00-6:00 pm | AKU-IED

*The programme is designed for early childhood education teachers , early child development practitioners and parents.*

#### Programme Highlights

The course will enable you to facilitate numeracy development by enhancing your understanding of:

- early numeracy;
- curriculum and materials for numeracy;
- role of early numeracy towards later success;
- quantity, simple number operations, sorting, matching, sequencing, and classifying objects based on one/two attributes;
- making pattern using different attributes of objects;
- role of parents and caregivers to promote numeracy; and
- assessing children's understanding of numeracy in different ways beyond paper - pencil test.
