CPE PROGRAMME

Understanding shapes and space

**A Continuing Professional Education Programme
for teachers and teacher educators teaching
Mathematics.**

March 21 and 28, 2018 | 3:00-6:00 pm | AKU-IED

Programme Highlights

The course will provide you with an opportunity to:

- revisit or review your own perception of the concepts related to shapes and space;
- engage in tasks to improve your geometrical thinking;
- design activities and tasks for teaching shapes and space for improving students' learning; and
- plan and conduct micro teaching lessons on developing geometrical thinking.

Facilitator

[Dr Nusrat Fatima Rizvi](#) holds a DPhil in Mathematics Education from University of Oxford, a Master of Education and Master of Arts (by research) from Flinders University of South Australia. She teaches Mathematics Education and Education Processes courses at the graduate level. Her research interests include exploring effective models of teaching and learning, curriculum development, pedagogical content knowledge and their influence on students' learning.

Course Fee
Rs.4500 /- per participant
