

THE AGA KHAN UNIVERSITY

SAMPLE TEST PAPER 2019-20

Graduate Programme

SECTION I

English

Time allowed: 1 hour

Candidates Name: _____

Application No: _____

INSTRUCTIONS:

The Aga Khan University English test is a sophisticated test of grammar and vocabulary in academic contexts. The test consists of five sub-sections, to be completed in ONE hour.

Candidates may log on to www.englishlanguagetesting.co.uk for additional practice test.

Please read the following instructions carefully.

1. Make sure that you write your name and application number in the space on the question paper and OMR answer sheet.
2. Mark ONLY ONE answer to each MCQ. No credit will be given for multiple answers.
3. There are five sub-sections in this question paper.
 - a. Section A 15 questions
 - b. Section B 12 questions
 - c. Section C 16 questions
 - d. Section D 09 questions
 - e. Section E 09 questions
4. Attempt all questions.
5. Questions can be attempted in any order.

Discipline

The University expects honesty from applicants. Dishonest behavior during the Test or violation of instructions will result in irrevocable disqualification of the applicant from entering the selection process.

Section-I
ENGLISH

SECTION 'A'

There are 15 questions in Section A.

Choose the correct answers (A, B or C) and mark them on the answer sheet.

SAMPLE TEST PAPER 2019-20

Master of Health Professions Education

SECTION III

Critical Reasoning

Time allowed: 30 minutes

Candidates Name: _____

Application No: _____

INSTRUCTIONS:

Please read the following instructions carefully.

1. Make sure that you write your name and application number in the space above and on the given answer sheet.
2. Write answers of SEQ's on the provided answer sheets. Please make sure you write your answer in the provided space, no additional sheet(s) will be given.
3. If you change an answer, be sure that you completely erase the old answer before writing new answer.
4. Attempt all questions.

Discipline

The University expects honesty from applicants. Dishonest behavior during the Test or violation of instructions will result in irrevocable disqualification of the applicant from entering the selection process.

Section III
CRITICAL REASONING QUESTIONS

QUESTION:

Students of a medical college were protesting against the University for Low Pass Percentage in the first professional examination. The student leader stated that this college had a pass percentage of 23.7% compared to another medical college examined by the same University, which had 84% pass percentage. The students were very angry and wanted the matter to be investigated.

1. Define the problem in this scenario. (2 marks)
2. What possible reasons could have caused this problem? (5 marks)
3. What possible solution(s) can be offered to overcome this problem? (5 marks)
4. What in your opinion is the most suitable solution? Justify the selected solution. (3 marks)

KEY

1. The students of one medical college are upset because the pass percentage is very low.
2.
 - a. There could have been some error in calculation of results
 - b. The examiners may be biased against this college/for the other college
 - c. The examination paper may have been made by teachers of the other college
 - d. The teaching and assessment in this college may have been effected in some way leading to ineffective learning by the students
 - e. The course may not have been covered
3.
 - a. Form a review committee to probe into the cause of the problem
 - b. Have the results re-checked
 - c. Have the papers rechecked by different examiners
 - d. Review the examination paper administered
 - e. Review the teaching and assessment of that medical college
4. Since we do not know the cause of the problem, the most suitable solution is to form a review committee to probe into the cause of the problem.
