Subject Specific Exam

Time allowed: 30 minutes

INSTRUCTIONS:

Please read the following instructions carefully.

1. Answer any two of the three questions.

2. Each of your answers should be between 250 to 350 words.

Discipline

The University expects honesty from applicants. Dishonest behavior during the Test or violation of instructions will result in irrevocable disqualification of the applicant from entering the selection process.

SAMPLE QUESTION:
How will this Master of Bioethics help you in your profession?

SAMPLE ANSWER:

This Master of Bioethics will equip me as a professional with the knowledge and skills to navigate complex ethical issues in healthcare, research and policy.

This program will enhance my ability to analyse and address ethical dilemmas in healthcare and research. It will prepare me to develop, implement and evaluate ethical policies and guidelines in my workplace. It will also enhance my communication skills for effectively participating in ethical discussions.

With a Master of Bioethics degree, I will be empowered to act as an advocate for patient rights, ethical practices and bioethical decision-making. This degree will enable me to contribute to ethical decision-making processes and bridge the gap between healthcare and ethics within patient care and research.
