

5th AKU Annual Surgical Conference

# Trauma

**STRIVING FOR CHANGE**

14–16 February 2020 | Aga Khan University

## Pre-Conference Workshop on **Surgery Olympics for Medical Students**

February 14, 2020 | 9:00am – 1:00pm  
Venue: Aga Khan University, Karachi

### **About Workshop**

Surgery Olympics Workshop will involve Task-Based Learning which is an efficient strategy for bridging gaps between skills, knowledge and competencies. It offers practical advantages and makes the teaching/learning process more effective, efficient and involved (Vakani et al. 2014). Postgraduate students who have participated in Task-Based Learning for practical knowledge have scored better than those learning with traditional methods (Tian et al. 2017).

### **Learning Objectives**

- Developing participants competencies in the domains of trauma care, critical care and emergency surgery process
- Refreshing the principles of patients-centered care
- Utilizing and promoting innovative team-based strategies to achieve the aforementioned objectives
