

# How to Apply

## Application Form

You can download the application form from following links:

[Application form for National Visiting Student](#)

[Application form for International Visiting Student](#)

An application is considered complete when it includes:

- Completed application form
- Application processing fee (bank draft)
- Transcripts/mark-sheets (attested by home institution)
- Supporting Letter from your respective institution / faculty
- Proof of personal medical insurance coverage (for international visiting students)

Please read all the instructions mentioned on the form carefully, before filing in an elective application form. Failure to comply with any instruction may result in your not being scheduled. Incomplete application will not be processed.

**Students in Karachi** should submit their application at the Admission Counter, School of Nursing and Midwifery, Aga Khan University, Stadium Road campus from Monday to Friday between 2:00-5:00 pm.

**Students from outside Karachi** may submit their application forms (soft copy) at [elective.national@aku.edu](mailto:elective.national@aku.edu) and send the original via mail. International students may submit their application forms (soft copy) at [elective@aku.edu](mailto:elective@aku.edu) and send the original via mail.

Submission of application does not guarantee confirmation of proposed electives. Due to delays in the mail and processing time requirements, applications must reach the Electives Office as per the schedule.

## Application Fee

The non-refundable application fee is payable through a pay order / bank draft in favour of Aga Khan University drawn on a bank in Karachi. Application will not be processed without the processing fee.
