Hospital Management & Administration

Standalone Course with Graduate Credits

August 5 – November 27, 2026, | 2:00 pm to 5:00 pm | Every Wednesday

The Master of Health Policy and Management (MHPM) Programme is pleased to announce the standalone course scheduled from August to November 2026. This course is part of the programme curriculum but can also be taken without enrolling into a degree programme. Course credits can contribute towards a master's degree.

Course Highlights

This course focuses on developing the knowledge and skills required to effectively lead and manage hospitals and healthcare organizations. Through practical learning and real-world applications, the course prepares professionals to address complex healthcare challenges and improve organizational performance and health outcomes.

Flexible Hybrid Learning Experience: Designed for working professionals, this course offers a blended learning model

- In-person sessions, - Live online (synchronous) learning
- Asynchronous learning activities
- Practical assessments and applied assignments

Why Join This Course?

- Updated and validated curriculum aligned with leading international universities
- Learn from renowned faculty and distinguished guest facilitators from healthcare leadership, policy, and management
- Gain practical skills in hospital leadership, healthcare operations and organizational change

What You Will Learn

- Lead and manage healthcare organizations with confidence and strategic insight.
- Make evidence-informed financial and operational decisions for efficient resource utilization.
- Strengthening workforce performance, supply chain management and infrastructure designs.
- Address real-world healthcare management challenges and drive sustainable hospital improvement.

Course credits can contribute towards a master's degree:

Candidates who achieve a cGPA of 3.5 or above after completing two courses or cGPA of 3.0 or above after completing three courses are exempted from writing the Admission Test. They will be required to appear for an interview. The courses are valid for three years only for entry into the MHPM programme.

Audience

- Programme managers from NGO and public sectors, policymakers, health system researchers, and health system academia
- Professionals from medicine, allied health professions, and biological sciences.

Course Director:

Dr. Sana Jamil

Course Coordinator:

Dr Shiza Khalid

Course fee: PKR 117,000

Register by: July 10, 2026
