Step 2: Login

Questionnaire Form:

- After login new user will see a questionnaire form that needs to be filled daily, this form is available in English and Urdu.
- After filling user can press submit to see the results.

The screenshot shows a mobile application interface for a questionnaire. At the top, the status bar displays the time 10:22 and various icons. The app's header is blue with the word "Home" and a refresh icon. Below the header, the user's name "Aqsa Sarwar" is displayed. There are two tabs: "English" (active) and "اردو". The main content area has a light beige background with a pattern of medical icons. It starts with the text "During the last 24 hours have you had:". Below this are four question boxes, each with a "Yes" and "No" button. The questions are: "Temperature of 100.4°F (38°C)?", "New onset sore throat?", "New onset cough?", and "New onset body aches?". At the bottom of the form is a blue "Submit" button. The entire form is reflected below it.

10:22
