IN REVIEW

SHAPING TOMORROW'S EDUCATORS

AKU-IED is proud to launch a 1.5 year Bachelor of Education (BEd) programme for aspiring and practicing teachers.

Admissions for the new cohort, as well as our MPhil and PhD in Education programmes have commenced on January 15, 2024. Click below to learn more:

NEW

Bachelor of Education

MPhil in Education

PhD in Education

COLLABORATION & KNOWLEDGE SHARING

12th International Conference

AKU-IED hosted a conference titled 'Technology, Pedagogy, And Society: Critical Appreciation of The Present and Prospects for The Future', to engage in a critical appreciation of the role of technology in conjunction with Pakistan's core educational policy concern of 'Quality and Access', and discuss prospects for the future of education.

IMPROVING THE QUALITY OF EDUCATION

Teaching License for Sindh

Following the approval of the Teaching License Policy in May 2023, the Government of Sindh constituted the STEDA Teaching License Committee, supported by AKU-IED and Durbeen. Their dedicated efforts have resulted in the launch of the first-ever teaching license test in Pakistan.

OUR LEADERS INSPIRING PROGRESS

AKU's Board of Trustees visits AKU-IED

The Board was impressed by AKU-IED's long-standing commitment to education and ongoing influence in the field of education. Our faculty and students also had the opportunity to share highlights from their work and delved into insightful and engaging dialogues with our BoT members.

ACCOLADES OF OUR PEOPLE

Congratulations

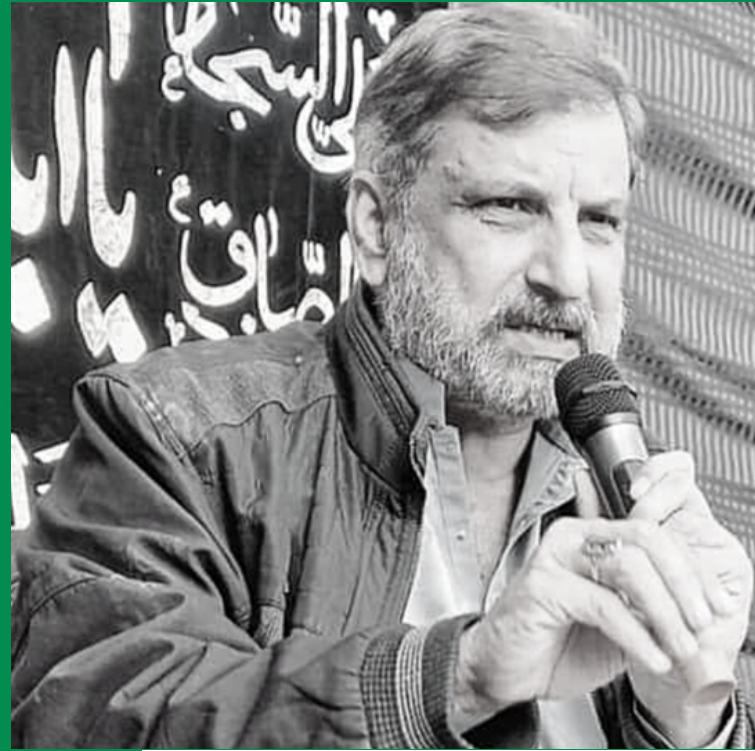

Our faculty, **Dr Sajid Ali**, was promoted to the rank of full Professor

Our PhD Scholar, **Ali Gohar Chang**, successfully defended his doctoral thesis.
